Aircraft Report

N7205E

1979 BEECH 58P

Registration: V

Registered owner: AL FORCE 1 LLC

Trailing 12-month utilization (observed)

Detected flights: 87

Observed flight time: 111 hr

Estimated distance: 16130 NM

Airports visited: 5

Median duration: 1h 03m

How this aircraft appears to be used

N7205E has 87 detected flights and approximately 111.2 observed airborne hours over the trailing period, visiting about 5 airports. KADS appears to be a frequent operating base based on detected departures and arrivals.

Median detected flight duration was about 63 minutes. These figures reflect available third-party observations and may be incomplete.

Registration & ownership

FAA records show N7205E currently registered with status V. Registered owner information is AL FORCE 1 LLC.

The current registration certificate issue date on file is 20260107.

Flight activity is based on available third-party observations and may be incomplete. Not an official aircraft record, title opinion, or airworthiness determination. Generated 2026-09-18T00:57:29.091Z.
